Just hours away from week five among the National Football League, here are some late news and notes as well as other things to ponder as we get set as what ought be an interesting weekend of football:

* Despite it being week five, there are a numeral of crews that if they lose today, you can additionally start thinking about the 2007 NFL Draft. Forget almost the Rams and the Dolphins, we know they are wrong and likley by this point they do as well. These following crews although sit within a state of impact as they plan as battle today sitting without alternatively with an win SC New Orleans, Chicago and San Diego, new nfl nike jerseys. A ton of folk myself included, had an if I were you two of these crews making the Super Bowl. The scary thing is Chicago and San Diego are aboard the road against division crews who smell blood, football jersey. At least the Saints have David Carr and a crew they should blew in Carolina coming within.

* The strong are getting stronger, as the Pats today want have safety Rodney Harrison behind then a 4-game suspension. Harrison is a play-maker,2012 nike nfl jersey, and I think that the Pats are going to be even better with him within there,nfl jerseys wholesale. I don't think he'll activity a lot today,merely ought see some action by household against the Browns within what should be a rather easy win as the best team among the federation,nfl football jersey.

* Plenty of wide outs are out today,new nike jerseys, which screws up a lot of fantasy crews and a lot of crews on the field.

The Bills Peerless Price may miss the season next surgery on Friday,nike jersey nfl, Santana Moss of the Skins is listed as vague and it looks as whether he won't activity Andre Johnson is still out as the Texans, which hurts their passing game a lot.

* One player to watch as today is the Saints Reggie Bush, who swiftly carries the load as New Orleans. It's difficult to discern the direction of a team whose owner flies cross-country to try to woo a head coach while still employing another one. Tony Sparano kept his job, but his offense needs a lot of work. If an attractive quarterback is available in the first round, this might be the end of the Chad Henne era. The interior of the offensive line also needs to be improved for the running game to be effective.

They were run-heavy last year and struggled to score points down the stretch. Quarterback Matt Cassel can be helped with better protection and a receiver who can make an immediate impact.

A.F.C. WEST

This should be easy. The Jaguars must improve in the secondary, particularly at safety,ccm nhl jerseys,Nike nfl jersey 2012,new nfl jersey,nike nfl uniform, which was terrible last year. The unit would be

helped by a better pass rush. And don't discount the possibility that the Jaguars will take a quarterback. They haven't drafted one since 2003.

Another year,reebok nfl jersey, another need for immediate contributors all over the field. A franchise quarterback may be the most obvious. But with few, if any, of those in this draft, the Bills could veer toward another huge need,football jersey cards, outside linebacker,shop nfl jerseys, where Von Miller awaits.

Same as last year,personalized football jerseys, the Ravens need a deep threat at wide receiver to stretch the offense and give Joe Flacco room for growth.

San Diego Chargers (18)

A team that wins with its defense suddenly needs an infusion on the defensive line – a nose tackle and defensive end – and an outside linebacker. The uncertain futures of Braylon Edwards and Santonio Holmes make wide receiver a position to watch.

One of the teams in need of a quarterback. Although the defensive front seven n

needs to be improved, Kenny Britt's run-ins with the law also put the receiving corps in question.

It would help to know the resolution to the Carson Palmer situation. If he really retires, women's football jersey, or is traded, replica nhl jersey, the Bengals have to get a quarterback. If he sticks around, they could make him happier by picking a top-flight wide receiver.

Buffalo Bills (3)

Oakland Raiders (none)

Tennessee Titans (8)

Kansas City Chiefs (21)

Denver Broncos (2)

Maybe Tim Tebow isn't the answer and they should look for a quarterback. But the Broncos have a lot more critical needs, nfl nike 2012 jerseys, and what they really need is more picks. Don't be surprised if they trade down to get more, reversible hockey jersey, cheap nfl jerseys, but no matter when they pick, they'll load up on defense.

Although loaded with defensive-line talent, this N.F.L. draft class is not considered strong. It includes a record 56 underclassmen, pink hockey jersey, many of whom are difficult to evaluate because of their limited college experience. There is no clear-cut No. 1 pick because of quarterback Andrew Luck's decision to remain at Stanford and because of the uncertainty about what the Carolina Panthers will do. There is a dearth of N.F.L.-ready quarterbacks, cheap nfl authentic jerseys, but Auburn's Cam Newton may rise to the first overall spot if his extraordinary athletic ability outweighs concerns about how quickly he can learn a pro-style offense and questions about his character. There are so many questions about players projected to be picked in the first round that Charley Casserly, football jersey m

aker, the former Redskins and Texans general manager, cheap patriots jerseys, said, "There's a lot of guys that are kind of scary."

"Quarterback is the highlight of the draft because you've got so many teams that would have filled quarterback needs in the off-season," Casserly said. "Now that they don't have it, france football jersey, do they become more aggressive trading up? I don't see the conviction by people with these quarterbacks."

With two picks in each of the first three rounds, penn state hockey jersey, including three in the top 33, the Patriots will wield enormous influence. Pass rusher is their most obvious need, but trades – and the unexpected (they drafted two tight ends last year when nobody thought they used tight ends) – are always part of Bill Belichick's draft-day arsenal. And what was all that chatter about running back Mark Ingram? Real or a smokescreen?

The Chargers have five picks in the first three rounds. Look for them to use some of them on the defensive front seven.

Houston Texans (11)

It's rebuilding time for the Browns, who need defensive linemen to fit their new 4-3 system and a No. 1 wide receiver to give the offense some punch.

This team, desperate to make the playoffs, nike football jerseys 2012, has to have better play from the

defense, particularly from the secondary and from pass rushers.

Cleveland Browns (6)

Julio Cortez/Associated Press Kenny Britt's legal issues could prompt the Tennessee Titans to look for a receiver.

Thoughts on the Tennessee Titans' 31-17 win against the Houston Texans at LP Field.

What it means: The Titans halted a six-game losing skid and improved to 6-8, maintaining faint hopes of a playoff berth. The Texans dropped to 5-9 and will finish with their first losing season since 2006.

What I liked: Tennessee has had difficulty producing points on offense, nfl jerseys, but on its first three possessions it marched to 21 points and led by three touchdowns just 12:28 into the game. While the Texans have made a living out of closing such margins to make for compelling games at the end, nike nfl jersey, tcu football jersey, they never got close in this one. The Titans had a lot of the ingredients that key them in good times show up – four sacks, 130 rushing yards and a score from Chris Johnson, six catches for 128 yards from Kenny Britt.

What I didn't like: The Texans went down so big so early that their offensive balance was thrown off, again. Matt Schaub threw 54 passes while Arian Foster got just 11 carries for 15 yards.

What I want to know: How can the Titans hold the Texans to 5-for-13 on third down conversions when they struggled so badly on third down against some inferior offenses during their last six games?

What's next: The Titans head to Kansas City while the Texans travel to Denver.

A team that went to the Super Bowl and has consistently productive drafts has few holes. But an injury-riddled offensive line and an aging defensive line could use help, scotland football jersey, as could a secondary that shows frailty when Troy Polamalu is out.

Miami Dolphins (15)

Cincinnati Bengals (4)

Everybody wondered what was wrong with Peyton Manning last season. The answer, in part, discount nfl jerseys, was the offensive line. No longer a laughingstock, youth hockey jersey, the Raiders could be contenders if they improve the offensive line to protect Jason Campbell and find a replacement for cornerback Nnamdi Asomugha. They have to do it without a first-round pick, 2012 nike nfl pro combat uniforms, which they traded to New England for Richard Seymour in 2009. Their first pick will be 48th over all, oregon football jersey, the 16th selection in the second round.
